

Microsoft and Surface Arc Mouse

The perfect travel companion

Pitch

Slim, light, and ready to travel, the Surface Arc Mouse is designed to conform to your hand, and snaps flat to fit easily in your bag. To use, simply snap into the curved position to power up. Snap again to flatten and power down.

The next generation of our best-selling Arc Touch Mouse features numerous refinements, including the ability to scroll both vertically and horizontally and quick Bluetooth pairing and use.

Designed without the bulk of traditional mice, Surface Arc Mouse is an ideal, ultra-portable companion for your Surface. Choose one in a matching color — or mix and match.

Top Reasons to Buy

- Ultra Slim and lightweight. Snap, fold-flat design is perfect for travel and optimized for comfort and a natural feel under the palm
- One of the thinnest battery-powered mice on the market, it goes anywhere without the bulk of a traditional mouse
- Enjoy more intuitive navigation with the new scroll plane for both vertical and horizontal scrolling
- Connects wirelessly to your Windows 10 PC via Bluetooth (Swiftpair enabled)
