

Surface Duo for Business

Surface Duo is a new dual-screen device that's also a phone. With two screens connected by a revolutionary 360° hinge, Surface Duo brings together the best of Microsoft and Android to reimagine productivity on the go, so you can focus and get things done faster than before.

FEATURES:

All-day battery life¹

Lasting power throughout your day. And, when you do need a boost, go from low to full with Fast Charging

PixelSense™ Fusion Displays

Two high-resolution Corning® Gorilla® Glass 5.6" (1800x1350) screens that open to 8.1" (2700x1800), with consistent color and brightness calibration

See and do more with wide screens

When open, Surface signature 3:2 aspect ratio is perfect for reading, streaming, and staying productive

Revolutionary 360° hinge

Seamless interactions between the dual screens are possible with 56 micro-cables—each thinner than a human hair

Adaptive camera optimized with AI

11MP, f2.0, image quality tuning with various modes depending on posture; 4K video recording with gyro-based digital video stabilization

Won't weigh you down²

Less than .19" thin (4.8mm) open, and under half an inch thin (9.9mm) when closed; and weighs 8.81 oz. (250 g)

Write and sketch on screen

Take notes and draw across apps on Surface Duo with thin, light Surface Slim Pen*

Mobile typing, reimagined

Stay productive with the adaptive keyboard, optimized for every mode

Secured, one-step sign-in

Surface Duo features a built-in Fingerprint reader for fast, secured access

Your PC loves Surface Duo, too³

With the Your Phone app and your Windows 10 PC, you get instant access to everything you love on your phone, right on your computer.³
